- AWS for Beginners

WORK EXPERIENCE

Samyotech Software Solutions Pvt. Ltd.

Software Engineer | Aug 2023 - Present

- Develop responsive web and mobile applications, ensuring effective frontend-backend integration, performance optimization, and robust security.
- Manage client projects, train and guide junior developers, and maintain high standards in application delivery and functionality.

Softmind Infotech Pvt. Ltd.

Software Developer | Nov 2021 - July 2023

- Developed strong communication and interpersonal skills by collaborating with diverse teams and working on live projects.
- Gained experience in cross-functional teamwork and effectively contributed to project development and delivery.

PROJECTS

Digital Regenesys

Frontend Developer | Sep 2023 - Present

- **Developed Interactive User Interfaces:** Utilized JavaScript, TypeScript, and Next.js to build dynamic and engaging user interfaces, significantly enhancing customer interaction and satisfaction.
- **Revamped Website Design:** Led the redesign of the Digital Regenesys website, implementing a modern and responsive layout to improve user experience and accessibility.
- **Integrated CMS and Built New Website:** Successfully integrated Strapi CMS and developed the Digital Regenesys UK website from the ground up, tailored specifically for the UK audience.
- **Collaborated with Marketing Team:** Engaged in daily stand-up meetings with the marketing team to discuss project progress, prioritize tasks, and ensure alignment with development goals and deadlines.

BudgetBuddie

Frontend Developer | Feb 2023 - June 2023

- **Designed Interactive Dashboards:** Developed intuitive dashboards for financial data visualization, enabling users to easily track budgets and expenses.
- **Ensured Seamless Data Integration:** Collaborated with backend teams to facilitate smooth data integration and real-time updates, enhancing platform performance and user experience.

Edusity.com

Frontend Developer | Jan 2022 - Nov 2022

- **Developed Responsive Interfaces:** Contributed to the Edusity e-learning platform by creating and maintaining responsive, user-friendly interfaces using ReactJS.
- **Enhanced User Experience:** Focused on designing intuitive UI components to improve overall user engagement and functionality of the platform.
